The Commonwealth of Massachusetts.

OFFICE OF THE SECRETARY, BOSTON, JAN. 21, 1919.

*To the Honorable Senate
and the House of Representatives.*

I have the honor to submit herewith, in compliance with section 330, chapter 835, Acts of 1913, a report of the number of assessed polls, the number of registered male and female voters at the date of the last annual State election and city and town elections, and the total number of persons, male and female, who voted at each such election in every city and town, and in every voting precinct therein, together with the number of votes received by each candidate for nomination and for election for a State office, and for election for a State committee.

In further compliance with the law above quoted, I submit the following recommendation:—

Under the provisions of section 269 of chapter 835 of the Acts of 1913, the Secretary of the Commonwealth is required to publish, in at least four newspapers in the English language in each senatorial district, a list of all candidates to be voted for in such district and the question of the approval and ratification of any proposed amendment to the Constitution.

In 1917 such lists and questions were published in 155 newspapers, and the cost was \$4,051.60. In 1918 the publication was made in 141 newspapers, and the cost was \$6,492.44.

I recommend for the consideration of the General Court that the newspaper publication of such lists and questions be either discontinued or the publication be made in all newspapers having over a specified circulation.

RETURNS UNDER THE "CORRUPT PRACTICES" LAW.

Under the provisions of chapter 835, Acts of 1913, as amended by chapter 783, Acts of 1914, and chapter 83, General Acts of 1917, there were received from candidates for nomination a total of 772 returns, of which 234 were late, 10 were irregular, and 11 were both late and irregular. NUMBER OF ASSESSED POLLS, REGISTERED VOTERS AND PERSONS
WHO VOTED AT ELECTIONS.

Apparent inconsistencies in the report may be accounted for, in part, as follows: —

First. — The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second. — The number of registered male voters includes persons who are exempt from taxation and therefore are not included in the number of assessed male polls.

Third. — Many names of voters on the list at the State election are, by reason of change of residence, erased from the list of voters at municipal elections.
